Portfolio: <https://yeilopez.github.io/me/en.html>

PROFESSIONAL SUMMARY

Senior Product Designer with 8+ years bridging strategic vision and technical execution. Expert in AI-assisted data synthesis, metrics-driven design, and scalable design systems. Proven in startup environments delivering Offline-First mobile applications, motion design systems, and high-fidelity UX for complex digital products.

CORE COMPETENCIES

Design Strategy: Product Strategy, UX/UI Design, Design Systems, Strategic Vision
Analytical & AI: AI Data Insights, Data Synthesis, Metrics-Driven Design, Strategic Mapping
Technical & Motion: Motion Design, Micro-interactions, Vibe Coding, Accessibility (WCAG), HTML/CSS handoff
Tools: Figma, Lottiefiles, Adobe Suite, Hotjar, Notion, Miro
Project Management: Agile, Strategic Governance, Technical Liaison

EXPERIENCE

DETECTA SECURITY -- Product Designer
June 2024 – Present

- Redesigned mobile application suite for logistics security; implemented Offline-First capabilities and structured digital reporting systems, improving reliability in low-connectivity environments.
- Accelerated development cycles through proactive engineering collaboration and AI-driven data synthesis for strategic UX decisions.
- Established continuous testing framework with flexible design pivots based on real-time business metrics.

BELOG IT -- Product Designer
February 2023 – April 2024

- Enhanced platform narrative and user task completion by integrating functional motion design and micro-interactions via Lottiefiles.
- Developed and governed scalable Design Systems, reducing design debt

and ensuring visual and functional consistency.

FIERA STUDIO -- UX/UI & Motion Designer
May 2021 – November 2022

- Delivered visual clarity for complex digital products through strategic UX/UI layouts and high-fidelity motion design; consistent stakeholder approval.

EDUCAEDU -- Web Content & UI Design
November 2017 – May 2021

- Optimized web interface performance through strategic UI design and content alignment, improving user engagement.

POTENCIAL DIGITAL -- Junior Web Designer
July 2015 – November 2017

- Foundational experience in web design, UI patterns, and digital product execution.

EDUCATION & CERTIFICATIONS

Postgraduate in Project Management -- Universidad Tecnológica Nacional (UTN), 2023

Diploma in UX and Accessibility -- Universidad Tecnológica Nacional (UTN), 2019

Graphic Design Degree -- Universidad de Buenos Aires (UBA), 2018

AI for Designers -- Nelson Rodriguez-Pena, 2024

Metrics and Design -- Sol Mesz, 2024

Product Designer -- Sol Mesz, 2022

English -- Centro Universitario de Idiomas (CUI), 2022
