PROFESSIONAL SUMMARY

Senior Product Designer with over 8 years of experience bridging the gap between strategic vision and technical execution. Expert in leveraging AI for data synthesis and decision-making to drive business impact and optimize user behaviors. Proven track record in startup environments, delivering scalable design systems and high-fidelity motion design to clarify complex digital flows.

CORE COMPETENCIES

- Design Strategy: Product Strategy, UX/UI Design, Design Systems, Strategic Vision.
- Analytical & AI: AI Data Insights, Data Synthesis, Metrics-Driven Design.
- Technical & Motion: Motion Design, Micro-interactions, Vibe Coding, Accessibility (WCAG).
- Project Management: Strategic Governance, Agile Methodology, Technical Liaison.

EXPERIENCE

DETECTA SECURITY | Product Designer

June 2024 – Present

- Accomplished a major mobile application redesign for logistics security as measured by improved reporting reliability by doing the implementation of "Offline-First" capabilities and structured digital systems.
- Accomplished accelerated development cycles as measured by efficient technical handoffs by doing proactive collaboration with engineering teams and utilizing AI-driven data insights for strategic decision-making.
- Accomplished product adaptability as measured by iterative performance improvements by doing continuous testing and flexible design pivots based on real-time business metrics.

BELOG IT | Product Designer

February 2023 – April 2024

- Accomplished enhanced platform narrative as measured by user task completion rates by doing the integration of functional motion design and micro-interactions using Lottifiles.
- Accomplished design consistency as measured by reduced design debt by doing the development and governance of scalable Design Systems.

FIERA STUDIO | UX/UI & Motion Designer

May 2021 – November 2022

- Accomplished visual clarity in complex digital products as measured by stakeholder approval by doing the execution of strategic UX/UI layouts combined with high-fidelity motion design.

EDUCAEDU | Web Content & UI Design

November 2017 – May 2021

- Accomplished optimized web interface performance as measured by user engagement by doing strategic UI design and content alignment.

POTENCIAL DIGITAL | Junior Web Designer

July 2015 – November 2017

- Accomplished increased digital presence for clients as measured by the deployment of multiple responsive websites by doing front-end development using the Bootstrap framework.
- Accomplished high-conversion product showcases as measured by improved visual marketing materials by doing the design and production of digital banners and diverse promotional assets.

EDUCATION & CERTIFICATIONS

- Postgraduate in Project Management, Universidad Tecnológica Nacional (UTN), 2023.
- Diploma in UX and Accessibility, Universidad Tecnológica Nacional (UTN), 2019.
- Graphic Design Degree, Universidad de Buenos Aires (UBA), 2018.
- Certifications: AI for Designers (2024), Metrics and Design (2024), Product Designer (2022).
- English: Centro Universitario de Idiomas (CUI), 2022.

TOOLS

- Design: Figma, Lottifiles, Motion Design, Adobe Suite.
- Strategy: AI Data Synthesis, Metrics tracking, Strategic Mapping.
- Technical: HTML/CSS (Technical handoff understanding), Vibe Coding.
